REGIS ATLANTA                                                                                                                                                                                                                                                                                                                                                                      |    |                                                                                                                                          |              |                     |  |
| John Jacob Astor IV's vision was to cultivate a sense of luxury and refinement so that guests would feel comfortable, as if they were in his private residence. In keeping with this spirit, The St. Regis' goal is to fulfill every desire – all of our offerings are made available at any time throughout the day, and we would be pleased to create any unlisted menu item you desire. |    |                                                                                                                                          |              |                     |  |
